Louis Sanders 131 Little Mound Bayou Road Mound Bayou MS 38762

RE: Receipt for Notification of Construction of Replacement Well MS-GW-50024 which will be replacing GW-13779 located at

Location: SE¼ of the SE¼ Section 06 Township 23N Range 05W County Bolivar

Latitude: 33 51 54 Longitude 90 44 53

Dear Mr. Sanders:

This letter acknowledges your notification to the state that you intend to replace a previously permitted well in the Mississippi River Valley Alluvial Aquifer and that this replacement construction will meet the requirements for a groundwater replacement well specified in 11 Miss. Admin. Code Part 7, Chapter 1, Rule 1.4.F.1 (see attached/back of page). Construction may begin immediately on your replacement well.

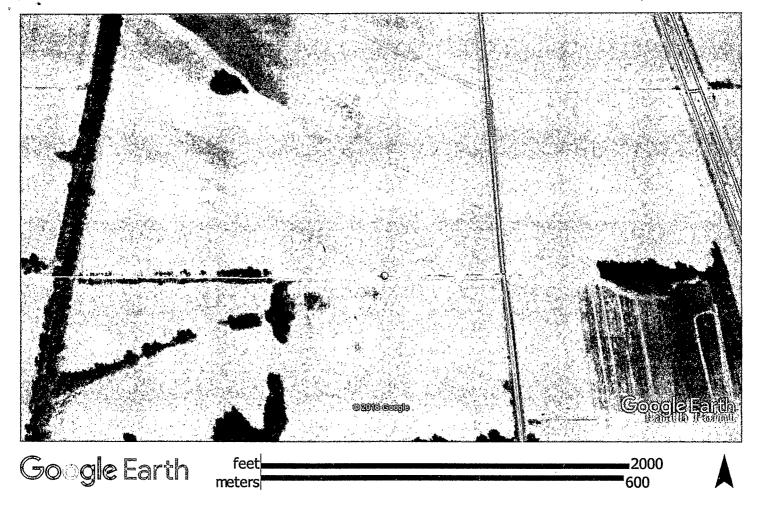

Remember that you are still required to <u>submit a permit application</u> (enclosed) for the replacement well <u>within 5 days</u> of construction beginning. You are also <u>required</u> to properly decommission (plug and abandon) the replaced well within 180 days of the replacement well's construction.

A copy of this letter, or a water use permit for the replacement well, must be attached to the State Well Report submitted by your driller to MDEQ and they must also submit a copy to YMD, as specified in the Water Well Contractor regulations found in 11 Miss. Admin. Code Part 7, Chapter 2, Rule 2.9.

If you have any questions, please call YMD at 662-636-7712.

Sincerely,

Dillard Melton, Jr Permitting Director DECEMBER 1

Well is on section line.

RECEIVED

MAY 26 2011

BY OLWR
