1944

10-15

1. The first part of the report deals with the general situation in the country.

2. It is noted that the economy is in a state of depression and that the government is facing a serious financial crisis.

3. The report also mentions that the population is suffering from widespread poverty and unemployment.

4. It is suggested that the government should take immediate steps to improve the economic situation.

5. The report concludes by stating that the situation is very serious and that the government must act quickly.

6. It is recommended that the government should consider the following measures:

7. (a) To reduce government expenditure and to increase revenue.

8. (b) To provide relief to the unemployed and to the poor.

9. (c) To improve the efficiency of the public services.

10. (d) To encourage private enterprise and to attract foreign investment.

11. (e) To improve the education system and to train more workers.

12. (f) To improve the health services and to reduce the death rate.

13. (g) To improve the housing conditions and to provide more shelter for the homeless.

14. (h) To improve the transport system and to reduce the cost of transport.

15. (i) To improve the communication system and to increase the use of modern technology.

16. (j) To improve the social services and to provide more support for the vulnerable groups.

17. (k) To improve the legal system and to ensure that the law is applied fairly.

18. (l) To improve the environment and to protect the natural resources.
