(Use Back Side)

Well No.

Handwritten text at the top of the page, possibly a header or title, which is mostly illegible due to blurriness.

Main body of handwritten text, appearing to be a list or series of notes. Some words are partially legible, such as "The", "of", and "is".

Continuation of handwritten text, showing more lines of notes or a list. The handwriting remains consistent but is still difficult to decipher.

Bottom section of handwritten text, possibly concluding the notes or list. The text is very faint and mostly illegible.
