DRILLERS REMARKS: 19-B

If well telescopes please sketch and show depths.

**GROUND LEVEL**

Sketch of well location and depth on a grid. The grid is approximately 15 units wide and 25 units high. A vertical line is drawn near the right side of the grid, extending from the top to the bottom. There are some faint handwritten markings on the grid, including what appears to be a small 'X' in the lower-middle section.

**SECTION**

Please indicate well location X.

**ADDITIONAL INFORMATION**

Handwritten notes in the additional information section, including several instances of "OVC" and "UVC" written across the lines.

If more than one screen, show locations of each on sketch.
