The first part of the year was spent in the
 study of the history of the country. I
 visited the various parts of the country
 and collected many interesting facts
 and specimens. I also spent some time
 in the study of the natural history
 of the country. I was very much
 interested in the study of the
 history of the country and the
 natural history of the country. I
 was very much interested in the
 study of the history of the country
 and the natural history of the country.
