Sketch the property layout and include the following: 1) the well location; 2) any permanent structures on the property that may aid in locating the well; 3) any roads, power lines, or other items that may aid in locating the property and the well; 4) indicate direction.

A hand-drawn sketch within a rectangular border. At the top left, a small square is labeled 'house'. To its right, a small 'x' is labeled 'well'. A horizontal line extends from the house to the right. From the end of this line, a curved line goes down and to the right, ending at a vertical line that represents a boundary or road. The sketch is simple and appears to be a preliminary site map.
