The sketch below only required for water wells

If well telescopes, show depths on sketch.

Ground Level

Description of formations encountered must be provided for all wells and boreholes, unless specifically exempted by regulations

Description of Formations Encountered	From (depth) 7	o (depth
Desarpus or -	Ground Level	
Surfore Soit	0	<u>Z/</u>
ned Ked Sand	21	45
ned white South	45	20
white Clay	90	110
med White Sont	1/0	12
met white and	170	
White Coose Sal	128	170
		1
		+
		<u> </u>

If more than one screen, show location of each on sketch

Sketch the property layout and include	he following: 1) the well location; 2) any permanent structures on the property that may
aid in locating the well;	any roads, power lines, or other items that may aid in locating the property and the well;
4) a north arrow.	Lithale of thouse
