The sketch below only required for water wells

If well telescopes, show depths on sketch.

Ground level

Description of formations encountered must be provided for all wells and boreholes, unless specifically exempted by regulations

Description of Formations Encountered	From (depth)	To (depth)
Clay	Ground level	22
Fine Sand	23	42
Fine Sand & Gravel	43	53
Medium Sand & Gravel	54	121

If more than one screen, show location of each on sketch

aid in	ayout and include the follo locating the well; 3) any north arrow.	owing: 1) the well location roads, power lines, or oth	on; 2) any permanent structures or er items that may aid in locating t	h the property that may the property and the well;
