The first part of the document
 discusses the general principles
 of the system and the
 various methods of
 application. It is
 intended to be a
 practical guide for
 the use of the
 system in the
 field. The second
 part of the document
 contains a list of
 the various
 methods of
 application and
 the results of
 the experiments
 conducted. The
 third part of the
 document contains
 a list of the
 various methods
 of application
 and the results
 of the experiments
 conducted. The
 fourth part of
 the document
 contains a list
 of the various
 methods of
 application and
 the results of
 the experiments
 conducted.

The fifth part of the document
 contains a list of the various
 methods of application and
 the results of the experiments
 conducted. The sixth part of
 the document contains a list
 of the various methods of
 application and the results
 of the experiments conducted.
 The seventh part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The eighth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The ninth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The tenth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The eleventh part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The twelfth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The thirteenth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The fourteenth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The fifteenth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The sixteenth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The seventeenth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The eighteenth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The nineteenth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
 The twentieth part of the
 document contains a list of
 the various methods of
 application and the results
 of the experiments conducted.
