## The sketch below only required for water wells

## If well telescopes, show depths on sketch.

Description of formations encountered must be provided for all wells and boreholes, unless specifically exempted by regulations

Description of Formations Encountered	From (depth)	To (depth)
	Ground level	
clus-	0	20
ales.	20	40
Sand.	40	80
Clup	80	100
Sand.	100	(20
Clup	120	150
Suld.	180	210
Course Sand	210	239

.

If more than one screen, show location of each on sketch

Sketch the property layout and include the following:

1) the well location

any permanent structures on the property that may aid in locating the well
 any roads, power lines, or other items that may aid in locating the property and the well

4) north arrow

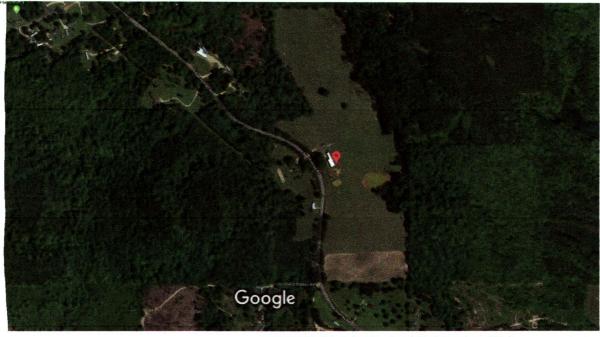

Landowner Name: Happy Hour Cattle (0.

I HEREBY CERTIFY that the well/borehole was drilled, constructed, and completed in accordance with all applicable requirements of the Mississippi Department of Environmental Quality and the Mississippi Department of Health regulations, if applicable, and state laws. 1 . 1
