Turn east on dirt road along section line just north of Black Creek Lumber Mill. Well No. 9 is about 0.3 mile out this road. About 1/2 mile farther, road appears to end at home of Walter J. Green (See Field #4). In corner of fence N. by E. about 100 yds. from Mr. Green's home is a gate leading to a road of questionable passability. (To be improved later.) About half mile east on this road (about 10 ft south of road and 100 yds. west of River Bank) is well #10 (field).

Well No.
