**Notes:**

- The document is a well schedule form from U.S. DEPT. OF THE INTERIOR, GEOLOGICAL SURVEY, WATER RESOURCES DIVISION. It contains detailed information about a well, including its location, ownership, use, and description. The form includes fields for depth, cased depth, casing type, finish, method of drilling, lift, power, description, and water quality data. The form is used for logging data from a well, including measurements and other technical specifications.
