**Type of Casing**

Steel Pipe x

**Hole Depth** Depth to Static Water Level

25

**Date Well Completed**

Not Known

---

**Describe How the Well or Hole Was Plugged:**

This well was a portion of a plant purchase in 1983. We have no record of when it was drilled. In 1989, the well failed, filled and was not redrilled. In 1991 the top was plugged with bentonite pellets after

---

**Received**

NOV 06 1991

---

**Dept. of Environmental Quality**

**Bureau of Land & Water Resources**

I certify that the well was plugged or abandoned in accordance with the state of Mississippi regulations.
